SONOMA COUNTY

100% Cabernet Sauvignon

In 2007, Mother Nature delivered another perfect growing season. After selecting the highest quality fruit from vineyards in both Dry Creek and Alexander Valley, our winemakers Jill and Jennifer carefully selected from our best barrels this masterpiece.

Dark black fruits of blueberry and huckleberry leap out of the glass on your first encounter with this seductive wine. Floral notes and sweet pie spices such as nutmeg develop underneath. Your first sip is soft and lush and fills the palate with red and black cherry as well as cassis. Ripe, supple gentle tannins and refined textures are key elements yet the beauty of this wine remains in its long finish. Yes, you can lick your lips more than once and still savor this wine long after the last drop has been enjoyed.

Don't miss out on this opportunity to stock up your cellar with age-worthy Cabernet!

Pair this stunning Cabernet Sauvignon with a worthy Filet Mignon, roasted sweet potatoes and a winter salad.
