We are proud to introduce a new blend into the Lambert Bridge wine family. The 2008 Petit Merle is fondly described by our team as the sassy little sister to our flagship blend—the Crane Creek Cuvée.

With this inaugural vintage, it's the surprising hint of cayenne pepper and red fruit character that gives the 2008 Petit Merle its own identity. Full of red cherry, raspberry, and plum fruit notes, the structure is smooth and silky.

Little sisters always do something to stand out in a crowd and this wine is no exception.
