Cases Produced	295
Barrel Regime	100% Stainless Steel
Alcohol	14.1%
Price	\$32

“The making of this, our first Rosé at Lambert Bridge, was so much fun—our whole winery participated and eagerly awaited its release. The gorgeous light pink color, aromas of strawberry and raspberry and the lively acidity make this dry Rosé a perfect picnic wine.”

~ Jennifer Higgins, Winemaker

TASTING NOTES

Our 2013 Chambers Vineyard Rosé has a rose petal pink color that invites you to explore further. You will experience aromas of strawberry and raspberry that overflow from your glass and intertwine with peach blossom and just a touch of vanilla. The acidity is lively as it enters the palate, followed by a round fullness that lingers to a bright and elegant finish.

VINEYARD NOTES

For our Rosé we hand selected fruit from our own Chambers Vineyard. We gently whole cluster press the fruit as one would in making a white wine. Minimal skin contact along with stainless steel fermentation allows for the retention of bright fruit character and a beautiful light pink hue.
